

AMIR ZAKI: ON BEING HERE

JUNE 4 - JULY 16, 2022

A solo exhibition of photographs by Southern California artist Amir Zaki (United States, b. 1974). Zaki's new series of architectural seascapes depicts piers along the California coast, using a compressed and expanded vision of time and image. This exhibition will present twenty-five large and medium format color prints.

The exhibition coincides with the publication of a major survey monograph, 'Amir Zaki: Building + Becoming,' published by X Artists' Books and DopplerHouse Press (2022, Los Angeles).

There will be an artist talk and book signing on Saturday, June 11th at 2:00 pm.
