WASCOMAT SENIOR W 123

TRIPLE LOADER

OPERATING INSTRUCTIONS

To load
To avoid dress marks and stains on knits and wool fabrics.
Empty pockets and place clothes in separate loads as far as you wish.
Close door securely.

To use LIQUID supplies
Place into dispenser marked 2. Use after 100% softener machine wash function and again after a subsequent wash session.

To use POWDERED supplies
Place detergent in wash cycle or dispenser marked 1 and softener, fabric conditioner and bleach in container marked 3. Do not pour detergent during wash cycle.

To START
Press button for desired water temperature.

Insert coins with slide. Push in slowly and pull out.
Coin cannot be returned when red light is on.

CAUTION TO CUSTOMERS

1. Do not open machine or remove door until cycle is completed prior light is off and wash tub has completely stopped rotating.
2. Do not attempt to open door or place hands into machine to retrieve or add clothes during operation, this can cause serious injury.
MACHINES SHOULD NOT BE USED BY CHILDREN
