

Ray Barbee

Culver Center of the Arts
February 1 - July 5, 2020

Winter Opening Reception

Saturday, February 29, 2020, 6pm - 8pm

Rarely without his Leica M6, Barbee brings the same unique perspective to the art of black and white film photography that he has brought to skateboarding over the past 30 years. Known for his freestyle skateboarding talents, Ray Barbee is a self-proclaimed "Jack of all Trades, Master of None." Barbee's exposure to the skateboarding world created his passion for photography and approach to capturing the world around him.

Thank you to our sponsors: UCR College of Humanities, Arts, and Social Sciences, and the City of Riverside.
