ABOUT THE SPEAKER

Artist Amir Zaki on where ideas come from:

From skateparks and lifeguard towers to rocks and tree stumps, artist Amir Zaki transforms seemingly mundane subject matter into stunning photographs that command

LOCATION

our attention, drawing inspiration from “the real California,”

Meet the artist and learn more about his work, process, and where he gets ideas.

After the talk, Zaki will sign his latest book *California Concrete: a Landscape of Skateparks*, featuring essays by Tony Hawk and architect Peter Zellner and we’ll be hosting our annual Summer Bash.

Advance Summer Bash tickets available on Eventbrite:
